

Birmingham Basketball Academy Summer 2019 Developmental Program Grades (Rising) 4-10, Boys and Girls

Background

- There is a need for this program—an alternative to highly competitive ones. They learn and have a great time!
- Designed to provide a proper combination of instruction and play.
- Competition is very important. The most important outcome, however: How much better is each participant at the end of the season?
- A super-positive environment. No yelling and screaming at the kids.
- BBA training is always conducted by folks who're instructors first and coaches second!

Advantages

- Enhances critical thinking skills & helps develop a high basketball IQ.
- Each session is a combination of fundamental work and games.
- Everyone plays.
- Play with/against players from other schools.
- It's competitive, intense, and fun!
- The 2-month "season" allows plenty of time for young players to develop.
- Run by Coach Jonathan Piazza, one of the finest basketball trainers in the U.S.!
- A unique opportunity: *Young players instructed by an expert in basketball skills development.*

The Fundamentals

- Ball-handling
- Finishing around the basket
- Shooting
- Footwork
- Passing and catching
- How to properly pass, screen, cut, and move without the ball.
- How to become aggressive. Basketball is a tough, intense game!
- How to play man-to-man defense.
- How to play full-court basketball.
